TO: PROPOSERS FOR DEPUTY REGISTRAR CONTRACTS

**FROM: HENRY GUZMÁN, DIRECTOR
MIKE RANKIN, REGISTRAR**

DATE: APRIL 24, 2009

RE: ANNOUNCEMENT OF DEPUTY REGISTRAR APPOINTMENT DECISIONS

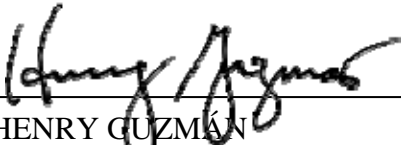

The attached list contains the names of the successful proposers to whom we intend to award a new deputy register contract for either three years or one year as noted. If your name is not on the attached list, we regret to advise you that we do not intend to enter into a contract with you to serve as a Deputy Registrar at this time.

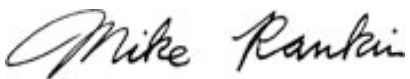

If your name is on the attached list, we are pleased to advise you that we intend to enter into a contract with you to serve as a Deputy Registrar. Before we sign your final contract for appointment as a Deputy Registrar we require that you cure any deficiencies contained in your proposal, meet any contingencies we have prescribed, and come into compliance with all applicable provisions of the Ohio Revised Code, the Ohio Administrative Code, and the Deputy Registrar contract. A BMV Field Representative will contact you regarding the arrangements necessary for you to come into full compliance and your schedule to begin operations. When everything is in order, Registrar Rankin will sign the contract, finalizing your appointment.

For locations marked "No Award," we have either received no proposals or have exercised our option to reject all proposals for those locations. We will send individual letters to all persons who proposed at those locations explaining our future plans.

Thank you for your cooperation and for your participation in the competitive selection process. Until you are contacted by your BMV Field Representative, please direct any questions to the BMV Research Section at the above address or telephone (614) 752-7631.

Sincerely,

HENRY GUZMÁN
DIRECTOR

MIKE RANKIN
REGISTRAR

Mission Statement

"to save lives, reduce injuries and economic loss, to administer Ohio's motor vehicle laws and to preserve the safety and well being of all citizens with the most cost-effective and service-oriented methods available."
