Nonprofit corporations should list references who are familiar with the nonprofit corporation's activities.

Form 3.1, Personal Questionnaire, Page 5 of 6 (2024)

28. Employment, management, supervisory, and business experience. Each Proposer's experience is one of the most important factors to be considered in the award of deputy registrar contracts. For the purposes of this RFP, experience gained prior to the year 1990 will not be evaluated or considered. Please provide a professional resume, in chronological order (no earlier than 1990), the positions you have held. If the position you held in 1990 was one you started before 1990, you may list that position and the date you actually started on your submitted resume. If you did not hold any position in 1990, please begin with the first position you held after 1990. If applying as a NPC, please provide a description of the fundraising, program, and charitable functions of the nonprofit corporation.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

<u>Form 3.2(A)</u> <u>Business Ownership Experience</u>. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

<u>Form 3.2(C) Employee Experience</u>. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. Please make additional copies of this form as necessary.

3.3 CUSTOMER SERVICE EXPERIENCE

Instructions. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of

my job or business to improve services for my customers (Please be specific):

I have assorted tools such as screwdrivers, flashlights, and pliers on site to install new plates. I implemented a "Line Pass" system where my staff writes the customer's Q-Flow number on the pass, making it easy for the customer to notify us of their return and number. This speeds up the process of returning them to the Q-Flow. I distribute a "New Driver Packet" that contains a map, key ring, informational material, and a letter from the Deputy Registrar. I have a fund in place that helps out those customer's that run a little short paying for their transactions. I offer suckers/candy to customers as well as stickers to children.

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I am a working Deputy Registrar. I am in my agency 30 plus hours weekly. I run a terminal, take pictures, and check applications. I do my own scheduling, evaluations, banking, payroll taxes and reports. Most days I either open or close my agency. My customers recognize me, know that I am the Deputy and know how to reach me if they feel they need to. My staff knows that I am available if they need to something or have questions

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

The DR manual is accessible digitally as well as printed. There are commonly used portions of the manuals present at every terminal. My staff stays current on all updates to the manual as well as all broadcasts. Broadcasts and manual updates are required to be read and acknowledged in writing. My staff is aware that any and all questions regarding broadcasts or manual updates are to be asked before processing. If questions arise regarding laws, rules, guidelines, or procedures that I am

3. What measures will you put in place to detect, deter, and prevent fraud?

Cameras are installed throughout the agency. I monitor these videos regularly. I review all reports daily. I run a terminal and work beside my staff. I am able to witness and listen to their transactions. I check completed applications. I surprise audit cash drawers. I stay current on fraudulent document training and require my staff to do the same.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

My staff is aware of the importance of broadcasts and updates. All new broadcasts and updates are printed immediately. Staff is required to read, initial and date every broadcast and update. Broadcasts and updates are discussed at staff meetings. If a broadcast or update initiates confusion or questions, the confusion is resolved before any transactions regarding said update is processed. I review broadcasts and updates weekly to insure all employees are current and up to date.

5. How will you demonstrate good leadership to your employees?

I lead by example. I ensure all employees are trained and prepared to do what is asked of them. I address all issues that arise in a timely manner. I answer all questions openly, honestly, willingly, and to the best of my ability. If I do not know the answer to a question, I contact the appropriate people to get the answer. I do what I say I'm going to do, when I say I am going to do it. I involve all employees in important decisions that affect them directly. I keep all employees informed of any new and uncoming

6. How will you maintain a high level of professionalism each day in this business?

I expect my staff to respect each other as well as every customer. I expect every employee to treat each other and the customers as thy would want to be treated. My staff processes transactions efficiently and in a timely manner, while maintaining a friendly, customer service attitude. Each customer is treated as an individual and is given their clerks undivided attention.

7. How do you intend to recruit and retain high quality employees?

I look for potential employees every day; at the bank, grocery store, pharmacy, doctors' office, etc. I accept and retain applications daily, not just when there is a vacancy. I do all my own interviews, ask in depth questions and check all employment references. I pay my employees well, treat them with respect, reward them with bonuses and do special things to show my appreciation. I attempt to make them feel vested in the agency.

8. How will you provide a safe, clean and friendly place to do business?

I hire only qualified, personable employees who are willing to be team players. All of my employees are responsible for the cleanliness and safety of the agency. I have encouraged my employees to constantly be aware of their surroundings. I request that they glance in the direction of the door upon hearing it open and make a mental note of the people entering. During our staff meetings, we discuss emergency situation dos and don'ts. I require that any and all issues of safety or cleanliness be addressed

9. How would you deal with an irate customer?

I remain calm. I listen to the customer's complaint. I repeat what they have said back to them in my own words to ensure that I understand their complaint. I ask how they would like me to resolve the issue. If I am unable to resolve the issue, I explain, in multiple ways, if necessary, why I cannot resolve the issue. I give them additional resources to help them resolve the issue.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

I advise my employees to remain calm, listen carefully, be empathetic and respectful. I ask that they genuinely attempt to resolve the issue and offer all available resources to resolve the issue. The best piece of advice and training is to teach the employee to put themselves in the customer's shoes. Also, never take the customer's words or actions personally.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

I will staff my agency with only qualified, knowledgeable, personable employees. I will maintain an adequately staffed, clean, safe, welcoming agency for customers to visit. I will conduct business in a professional yet friendly atmosphere. I will strive, daily, to exceed the customer's expectations of the State of Ohio BMV and the Marion License Bureau.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

I love my job. I know that I am meant to be a Deputy Registrar. I enjoy coming to work. I take extreme pride in my work and my office. I strive daily to learn something new, make someone smile, and do something nice.

I provide a welcoming atmosphere for customers to conduct business while upholding the laws, policies and procedures of the State of Ohio BMV. I have the experience, knowledge and drive to continue to operate an agency that will exceed not only the State of Ohio BMV's expectations, but the customer's expectations as well.
