Form 3.1, Personal Questionnaire, Page 5 of 6 (2025)

28. Employment, management, supervisory, and business experience. Each Proposer's experience is one of the most important factors to be considered in the award of deputy registrar contracts. For the purposes of this RFP, experience gained prior to the year 1990 will not be evaluated or considered. Please provide a professional resume, in chronological order (no earlier than 1990), the positions you have held. If the position you held in 1990 was one you started before 1990, you may list that position and the date you actually started on your submitted resume. If you did not hold any position in 1990, please begin with the first position you held after 1990. If applying as a NPC, please provide a description of the fundraising, program, and charitable functions of the nonprofit corporation.

#### FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE FORM 3.2(C) EMPLOYEE EXPERIENCE

#### **Instructions**

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

<u>Form 3.2(A) Business Ownership Experience</u>. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

<u>Form 3.2(B) Management and/or Supervisory Experience</u>. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

<u>Form 3.2(C) Employee Experience</u>. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

#### 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE

**Instructions**. Please fill out one of these forms 3.2(B) for each separate management or supervisory job you have held. Do not use this form 3.2(B) for business ownership or regular employee positions. Use a separate form 3.2(B) for each management or supervisory position that you have held. *Please make additional copies of this form as necessary*.

#### 3.3 CUSTOMER SERVICE EXPERIENCE

**Instructions**. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

In all employee training I have led, I make it clear to employees that it is of utmost priority to treat customers with the care and respect that we would appreciate, regardless of the customer's attitude or issues; to improve customer service, I will make sure all of my employees share that view on customer interactions. Additionally, a consistent complaint on the BMV is the wait time and transaction time. To reduce times, I will have approved signage in entry areas and customer waiting areas detailing the required documentation for the most common transactions.

I will enforce a strict 15 minute transaction time. Part of employee training will include efficiency methods in completing transactions. Any transaction extending past the 15 minutes will require a manager to check in, oversee the rest of the transaction and expedite completion.

In dealing with customers at the East 55th, Wickliffe and Bedford BMVs, I have never had an official customer complaint in regards to my services. Several customers have commented via the BMV phone survey and Google reviews to praise my customer service and pleasantness in interactions with them. Often times customers will make sure to tell supervisors and managers that they had their most pleasant BMV interaction ever with me.

#### 3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

**Instructions:** Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

By being at the agency consistently to ensure correct practices are being followed. I will also ensure that I have thorough knowledge of all types of BMV transactions so that I am the best authority for my staff. I will also work to employ staff that understand the importance of our work and the importance of doing it accurately. I will closely monitor daily and monthly reports to ensure that we are maintaining the high standards that I plan to institute.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

I myself will be diligent in learning BMV and legal regulations related to our work. Staff will be trained on how to complete transactions, but I will also train them on when to involve a supervisor or manager. Managers will primarily have monitoring responsibilities as opposed to direct customer service so they can focus on accuracy, completeness and inefficiencies. This will ensure they are able to watch for mistakes or employee error without additional distractions. I will train and equip managers to thoroughly review transactions on a daily basis and I will conduct regular review of vehicle registration and identification transactions.

3. What measures will you put in place to detect, deter, and prevent fraud?

We will have a robust video surveillance system which employees will be aware of to deter willful fraud. Managers, supervisors and myself will monitor customer relations to ensure there is no overt favor or disfavor being shown to any patron. Deposit slips and reports will be compared to bank statements for accuracy and discrepancies. Cash will not be counted by the processing employee at the end of the day, instead it will be a manager, supervisor or myself. By my own interactions with customers, employees will see that I demand a culture of integrity and honesty in all our efforts.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

Broadcasts will be passed around for each employee to read. Managers and supervisors will be responsible for retraining employees on specific transaction procedure changes. Monthly reviews of previous broadcasts and comparison to paperwork will ensure we are keeping to required policies.

5.	How will you demonstrate good leadership to your employees?
	I will set clear, measurable expectations for employee performance. In training them, I will provide constructive feedback, listen actively, and address concerns promptly. I will strive to treat employees fairly and equally while holding myself to the same customer service and accuracy standards they will be held to.
6.	How will you maintain a high level of professionalism each day in this business?
	I will maintain professionalism at my BMV by communicating clearly and respectfully with my staff and customers. We will have an enforced dress code that conveys a serious atmosphere to the public and encourages our staff to carry themselves well. The manager group and I will be responsible for promoting a positive attitude, and resolving conflicts diplomatically. Reliability and consistency will be stressed to interviewees and new hires to build trust and ensure we are sufficiently staffed to maintain a good working atmosphere.
7.	How do you intend to recruit and retain high quality employees?
	I will largely utilize on line hiring platforms similar to Indeed.com. I will also use recommendations from high performing employees.
8.	How will you provide a safe, clean and friendly place to do business?
	I will prioritize cleanliness with stringent hygiene measures, shared regular cleaning, and uncluttered premises. Uniform desk organizers will be used to eliminate clutter from the desks. Employees will have a secured locker or storage area to hold personal belongings during working hours. Every employee will be responsible for wiping down their working area at the end of their work day. There will be auxiliary staff members hired just to maintain a clean atmosphere.
9.	How would you deal with an irate customer?
	I would first gain an understanding of the transaction the customer is trying to complete. I would also move them from the employee originally serving them to a different employee or myself to help deescalate. I would maintain a calm, even tone in communicating with them and work to complete their transaction as soon as possible. If the customer is uncooperative or inconveniencing other customers, I will make it clear they have to leave and involve law enforcement as needed.

10.	What training or advice do you, or will you, give to your employees for dealing with irate customers?
	I will train employees to maintain a calm demeanor through customer interactions. It will be clear to all staff that we are there to serve the public first, not to prove a point or to argue with them. I will set clear expectations as to when to call a manager and stress to employees that any sign of difficulty or something out of the norm warrants manager involvement. I will train managers to be comfortable interrupting transactions when they sense something is not right or may be trending down.
11.	How will you meet the expectations of the Bureau of Motor Vehicles?
	I will pay careful attention to the BMV policies and subsequent updates to ensure compliance. I will utilize the Deputy Registrar Agency manual, the DL, ID, and VR manuals and laws pertaining to the BMV in the Ohio Revised Code. I will use my years of experience to deliver great customer service and improve the BMV's reputation in the communities I will be serving. I will use BMV tools and other business management software to monitor inefficiencies and eliminate them as much as possible.
12.	Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract
	Over the past 5 years, I have worked with 3 deputy registrars, several managers, multiple field representatives and countless employees. Every person that has worked with me is impressed with my work ethic, dedication and positive attitude. They quickly begin to rely on me to handle complex transactions and difficult customers.
	Because of these years of experience as a BMV clerk and manager I am uniquely positioned to be a successful deputy and partner for the Bureau of Motor Vehicles.  Additionally, my background as an accountant helps me to be detailed and precise in my efforts. I am able to simplify extensive processes and procedures into smaller parts for training and implementation.
	My commitment to excellence, effective communication, and continuous improvement will be an invaluable asset to the Bureau of Motor Vehicles and should give the Registrar the utmost confidence in my suitability to be a Deputy Registrar.
