Meeting of the Ohio Automated Title Processing (ATP) Board was called to order by Registrar Charles Norman at 1:41 p.m. The meeting was held in Conference Room 1106 of the Shipley Building at 1970 West Broad Street, Columbus, Ohio.

Board members reviewed the minutes from the April board meeting. There were no revisions requested. Todd Bickle motioned to approve April’s meeting minutes and Bernie Quilter seconded the motion.

OLD BUSINESS/ONGOING AGENDA ITEMS:

ATPs release notes continue the second Wednesday of every month. July’s release notes were technical in nature. The title manual updates were the only visual pieces of the release notes. NMVTIS related updates were made to the unsolicited messages received from other states that Ohio is required to respond to. Scanning software was tested in-house. The ATPS team is working to get the kinks out of the software prior to the county testing phase. The pilot phase will happen in the test system to compare images. Kofax is very expensive. The new software is in-house and simplified.

Delivery of title stock took place beginning July 29, 2019. The first truck ran for three weeks and the second truck ran for an additional three weeks. Title stock delivery was completed by the first week of September.

Title manual committee meetings continue to take place. The meeting scheduled July 16, 2019 was cancelled due to scheduling. The manual updates are making progress and are consistent with the ATPS release notes. The committee is still receiving feedback forms and they are very helpful.

GENERAL BUSINESS:

Reports distributed contained financial information as of June 30, 2019. The Kofax contract expired fiscal year 2019 (FY19). $714,995 was disbursed to RR Donnelley. 4.5 million titles are open encumbrance for a total of $322,510 that is not contained in FY19. Dealertrack had 69,494 title transactions for a total of $68,108.12. Brown Enterprises was the vendor responsible for PCs, monitors, and receipt printer maintenance. The cost of $1,008,000 was low enough to not qualify for the equipment category. The total amount of payroll disbursed was $2,752,748. There was $415,050 left encumbered for personal services. $280,540 was disbursed to Excel and $1,482,200 funds were disbursed to Guidesoft. Maintenance funds were fully covered with $1,472,327 encumbered left. $15,080 was disbursed for equipment. ELT has been paid $2,106,810 as of June 30, 2019. The revenue report shows the deposits of...
the fund by quarter. DAS charges from the ATPS fund include technology costs such as servers, storage, and centralized services. The ending cash balance as of June 30, 2019 was $25,613,075.

OTHER BUSINESS:
