It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

#### 3.3 CUSTOMER SERVICE EXPERIENCE

**Instructions**. Please give us a list of ideas you have to improve customer service at your deputy registrar agency. You will only receive full credit if you demonstrate sufficient customer service awareness.

A. This is a list of ideas I have to improve customer service at my deputy registrar agency if I am awarded a contract (Please be specific) and/or this is an example of something I have done as part of my job or business to improve services for my customers (Please be specific):

When entering my agency, I hope that customers provide necessary and appropriate documentation to limit their visits to as few as possible. To ensure that this happens, I make sure that my employees are knowledgable of BMV rules and regulations, whether they are answering questions over the phone, or visiting us in the agency. I, to the best of my ability, make sure my employees and myself are fast, courteous, friendly, and nondiscriminatory to each and every customer.

To ensure that everyone is eligible to be waited on, I go the extra mile. I am an Ohio Certified Notary Public, and if the elderly or disabled are, for any reason, unable or uncomfortable coming in, I will personally go outside to their vehicle to notarize their document. To guarantee a quick service when all computers are manned and there is a decent line, I will have one of my employees prescreen document(s). To guarantee a quick and efficient service when all computers are manned and there is a decent line, I will have one of my employees prescreen and give out paperwork needed to not waste the customer's time.

## 3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

**Instructions:** Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1.	How do you plan to manage, be responsible, and be accountable for this business at all times?
	I pay all bills when received, and I have a promising credit score to show for it. I put a lot of hours into my business to know first-hand how things are operating. When hiring employees, I ensure that they are kind and well-mannered. I keep them updated on BMV rules and regulations. All monies are kept locked at all times.
2.	How will you ensure that all laws, rules, guidelines and procedures are followed, at all times specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?
	In my current agency, we constantly review and update our manual with all current broadcasts. Things chang daily and we are on top of these changes. Broadcasts and emails are checked several times each business day. Broadcasts are discussed to make sure that every employee understands them; we keep them in a binder to review as necessary.
3.	What measures will you put in place to detect, deter, and prevent fraud?
	We are provided a magnifying lamp and black light to check documents for authenticity; for this, I keep plenty of new batteries on hand and all employees are aware of its location. More than one person checks each document, and we all keep up-to-date on fraudulent training. All documents are double checked by a manager or by myself. We do cash audits regularly. Being on site and working

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

along side employees will make sure all BMV regulations are followed.

Two printed copies of each broadcast are printed with the manual change; one copy goes into our broadcast binder with initials from every employee, while the other is passed around to read and refer to. Collectively, we all review and discuss the changes to make sure we all thoroughly understand.

5. How will you demonstrate good leadership to your employees?

I enjoy my job as a Deputy Registrar. I spend a lot of time at my job, where I enjoy waiting on customers and I talking with my employees. I don't ask my employees to do anything that I would not do myself. I dress professional and try to conduct myself in a professional manner at all times. I will always be friendly, courteous, and professional with customers and employees, setting an example for each of my employees to follow.

6. How will you maintain a high level of professionalism each day in this business?

believe your outward appearance says a lot about you. When you dress in a professional, serious manner people will take you seriously. We will present and conduct ourselves as a professional team to provide our customers with the utmost consideration, providing them with courteous and professional service. Customer should always feel they have been treated well.

7. How do you intend to recruit and retain high quality employees?

Finding employees with good people skills is essential. I have a supervisor sit in on interviews whenever possible. We usually agree but I like to have a second opinion. I pay the best I can justify paying my employees. I treat them how I want to be treated. There is a lot entailed in this job and they need to understand that at the beginning. Training is done by a supervisor or myself. I try to be aware of my employees strengths and weaknesses.

8. How will you provide a safe, clean and friendly place to do business?

We keep extra salt for ice on the premises for the side walk and for the parking lot. We run the vacuum daily. We keep all debris off the floor and check the parking lot. Counters are cleaned daily with antibacterial cleanser and vision tests are wiped down after each customer. We keep extra wipes so the customer can wipe it down if that makes them feel safer. We do a complete cleaning once a week and we have a chart to make sure that everyone contributes. We make sure anything on the floor is picked up and not tripped over to avoid injuries.

9. How would you deal with an irate customer?

Staying calm is important. We want to make the customer feel important and we understand their frustration. I try to always help the customer by doing a little extra. Sometimes it is just a matter of googling something or getting them a phone number. I try to be pleasant, no matter how irate they are. I let them know I want them to understand that I genuinely want to help. We try our best to find a solution to the problem.
