28. Employment, management, supervisory, and business experience. Each Proposer's experience is one of the most important factors to be considered in the award of deputy registrar contracts. For the purposes of this RFP, experience gained prior to the year 1990 will not be evaluated or considered. Please provide a professional resume, in chronological order (no earlier than 1990), the positions you have held. If the position you held in 1990 was one you started before 1990, you may list that position and the date you actually started on your submitted resume. If you did not hold any position in 1990, please begin with the first position you held after 1990. If applying as a NPC, please provide a description of the fundraising, program, and charitable functions of the nonprofit corporation.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE

Instructions. Please fill out one of these forms 3.2(A) for each business you have owned. Do not use this form 3.2(A) for management, supervisory, or employee experience. If you have owned more than one business, submit a separate for 3.2(A) for each business owned. *Please make additional copies of this form as necessary*.

3.9 INVOLVED AND INVESTED IN YOUR BUSINESS

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

I will oversee the daily aspects of running the agency when I am present at the agency. I will designate a responsible and dependable person as an office manager to run the agency in my absence. I will review DL and VR applications and daily reports to verify my employees are processing transactions properly. I will have enough employees to meet the proper staffing needs. I will provide training for employees and administer regular employee evaluations.

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

I will train all new employees and they will be shadowed for a minimum of two weeks. I will frequently work the counter to make sure all rules are being followed. I will review applications daily to check for errors or problems. All documents required for DL or ID transactions will be checked by two employees, one being a supervisor.

3. What measures will you put in place to detect, deter, and prevent fraud?

All employees will have the required fraudulent document training before their first day of work. All employees will know the fraudulent document procedure and the location of the fraud tools. All DL/ID documents will be verified by a supervisor before issuing the transaction. The security cameras will record 24 hours a day.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

Every broadcast will be read and initialed by each employee and kept in a binder for reference. Broadcasts that affect/change daily procedures will printed out and kept at each terminal until the procedure becomes routine. If there is any confusion about the content of a broadcast, I will call my Field Rep for clarification. I will monitor my staff to ensure the procedures are being followed.

5.	How will you demonstrate good leadership to your employees?
	I lead by example. I have the right attitude, work ethic, knowledge and customer empathy that my employees can respect and follow. I am always open for questions or concerns that my employees may have.
6.	How will you maintain a high level of professionalism each day in this business?
	I will treat my customers and employees with same respect that I expect from them. By remaining up to date with training and procedures, my employees and I will meet the needs of our customers in an effective and respectful manner. Employees will follow a dress code to maintain a professional appearance.
7.	How do you intend to recruit and retain high quality employees?
	Before hiring a new employee, I will verify their references and work history. Once an employee is hired, I will schedule around there personal needs as much as possible. I will offer fair compensation, paid holidays and vacation pay.
8.	How will you provide a safe, clean and friendly place to do business?
	I will maintain all mandatory security requirements: cameras, alarms, motion sensors etc. I will provide a first aid kit. I will have a cleaning routine, performed by either my staff or an outside agency, to keep the agency clean and presentable. My staff and I will treat customers with the friendliness they deserve so they will want to return to our agency.
9.	How would you deal with an irate customer?
	I remain calm and try to understand what the customer is upset about. I understand that they are upset with the situation, not me, so I don't take anything they say personally. I show sympathy and never blame the customer. I do everything I can to identify the proper solution to the problem. If I am unable to personally fix the problem, I calmly direct them to the person or place they need to go.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?
I tell my employees to remain calm and remember that the customer is angry at the situation, not the employee. Try to understand the customer's point of view and show empathy for their situation. Do not show aggression toward the customer or escalate the emotion of the situation. Ask for myself or a supervisor if it's a situation they can't handle.
11. How will you meet the expectations of the Bureau of Motor Vehicles?
I am committed to my employees, customers and the BMV at my current agency. I will carry that committment to a new agency if awarded the contract. As a deputy it is my responsibility to make sure the agency is open when required, deposits are made on time, employees are content, customers are taken care of and all BMV regulations are followed. I take that responsibility very seriously.
12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract
I have successfully run my current agency since 2015. My evaluation scores are generally high. I have never missed a tax payment/filing or a payroll check for my employees. I am dedicated to my agency and the BMV. I would like to make a lifelong career as a deputy and running a second agency is the next step to making that happen.
