FORM 3.2(A) BUSINESS OWNERSHIP EXPERIENCE FORM 3.2(B) MANAGEMENT AND/OR SUPERVISORY EXPERIENCE FORM 3.2(C) EMPLOYEE EXPERIENCE

Instructions

It is important that you supply complete and accurate information about all relevant business ownership, management, supervisory, and employment experience so that the BMV will be able to verify that experience from independent sources. Generally, proposers receive the most consideration for service as a deputy registrar, second most consideration for service as a business owner, third most consideration for service as a manager or supervisor, fourth most consideration as a deputy registrar employee without management experience, and least consideration for other employment experience without any supervisory or management experience. Be sure to include as much detailed experience possible within the submitted professional resume.

Nonprofit corporations must report only the businesses and activities conducted by the nonprofit corporation itself on Form 3.2(A) Business Ownership Experience. If the nonprofit corporation has operated a deputy registrar agency, that information should be entered and submitted on one Form 3.2(A) Business Ownership Experience. Any other business activities (fundraising, charitable activities, etc.) should also be entered and submitted on a separate 3.2(A) Business Ownership Experience. Use a separate Form 3.2 for each separate business activity performed by the NPC and a separate Form 3.2(A) for each separate business activity performed by the NPC.

Form 3.2(A) Business Ownership Experience. Deputy registrars, nonprofit corporations, county auditors, clerks of courts, and individuals should use this form to report on businesses actually owned and operated by them.

Form 3.2(B) Management and/or Supervisory Experience. Individuals, county auditors, and clerks of courts should use this form to report management and supervisory experience performed by them. Service as a county auditor or clerk of court qualifies as management and supervisory experience.

Form 3.2(C) Employee Experience. Individuals, county auditors, and clerks of courts should use this form to report all other employment that did not include management or supervisory authority.

Instructions: Answer all of the following questions to the best of your ability. Please be concise and attempt to limit each answer to seventy-five (75) words or less. Include attachment(s) if more space is needed to answer any of the questions.

1. How do you plan to manage, be responsible, and be accountable for this business at all times?

Tive been fortunate enough to be aroundaDR and DM who in my opinion are the best in OH, who have teight and shown by example how to operate at a high level. I've had 9 years of training behind them, and I've learned time management, a focus on customer service, and how to be present for all transactions.

I also plan to be just as hands on as my DR was, that led her to 3 Bird's

2. How will you ensure that all laws, rules, guidelines and procedures are followed, at all times, specifically with regard to issuing and renewing driver's licenses, identification cards, and vehicle registrations?

Extensive and detailed training with all employees to make sure all laws, regulations, and policies are being followed. Standard state regulated Fraud training will be completed when employees are required. An open line of communication with me, the DK, and my managing staff will be able to wash out any uncertainty about policy.

3. What measures will you put in place to detect, deter, and prevent fraud?

· Practicing all recommended procedures by the BMV, reviewing reports and inventory to catch discrepancies. . Video surveillance to monitor all "counter" transactions, exchanging of money, and inventory. Will be able tomonitor all employees and customers, both in and out of office. Daily money Balancing to ensure no money fraud- activity.

4. The Bureau of Motor Vehicles routinely issues new and/or revised policy and procedural changes through email broadcasts to the deputy registrars. How will you ensure that policies and procedures are communicated to the staff and followed on a daily basis?

It'll be required by all of mey employees to check the broadcast board everytime they clock in Ichock out. · Broadcast board will be posted next to the clock infout device. Open communication about any confusions with new or updated policies

5. How will you demonstrate good leadership to your employees?

I have been trught to lead by example, watching how may DR and on managed a team and controlled customer interactions. I've also learned to Show how I expect things to be done by doing it myself, and teaching each indivisual employee in a way they best learn. I never ask anything of anyone that I wouldn't do myself.

6. How will you maintain a high level of professionalism each day in this business?

from the top down, is how professionalism is properly maintained in a Bin office. Being the leader of my current agoncy as OM, I believe prolessionalism is a natural reflex for me now.

7. How do you intend to recruit and retain high quality employees?

Being a high quality employee for a DMV DR for 9 years, I know exactly what qualities and traits it takes to here, and keep high avality employees. ·Multi-Level interview process with extensive questioning, relating to everyday BIMV transactions.

8. How will you provide a safe, clean and friendly place to do business?

I want every employee and customer to feel as safe as possible to do this, sophisticated security system with princ buttons throughout the office will ease worm about safety for employees. Interactive customer service will maintain a calm morele for waiting customers. my staff will rotate weekly cleaning conedules, including myself.

9. How would you deal with an irate customer?

poter ayears in the BMV, I have found the most effective way to handle an ivate customer, is the simplest way. maintaining a calmitespectful tone, Slowing down Now fast I give out information, explaining as clearly as I can how to resolve the specific issue, and being as geniuine and Strongatforward as possible.

10. What training or advice do you, or will you, give to your employees for dealing with irate customers?

every customer service issue, or wate customer, is unique. Because of this, the best advice is to first listen. Focus on the needs of the customer, that way you can find a solution within the policies and procedures of the Binv. Sometimes, that isn't possible. In those situations, being as straightforward and clear about the situation with a calm and level tone.

11. How will you meet the expectations of the Bureau of Motor Vehicles?

The spent the last 5 years being mostly responsible for our agencies evaluations, being my deputy has 3 agencies, a lot of the DR tasks and responsibilities are on me to do. Mind I have done them at a high level, every year. All I've been doing is meeting, and then exceeding the expectations of the BMV.

I have no worries about being able to do this.

12. Why should the Bureau of Motor Vehicles consider you for a deputy registrar license agency contract?

In my 9 years with the BMV, I was fortunate to be hed bay a DR. Tava Stephens, who showed me the potential the BMV can be. I worked my hardest everyday, because that's what I was watching her do. And by doing it she was able to acquire 3 total BMVs. An enormous feat that I personally had a hand in, step-by-step. I know what it takes to be great at this, I was taught for 9 years how to be great. And I'm confident in my abilities as a leader, my extensive BMV knowledge's experience, to be able to run a great agency that would exceed expectations. Great agency that would exceed expectations. I've had 2 interviews for other agencies, because of the people who I've had 2 interviews for other agencies, because of the people who I've had 2 interviews for other agencies, because of the people who I've had 2 interviews for other agencies, because of the people who I've had 2 interviews for other agencies, because of the people who I've had 2 interviews for other agencies, because of the people who I've had 2 interviews for other agencies, because of the people who I've had 2 interviews for other agencies, because of the people who I've had 2 interviews for other agencies, because of the people who I've had 2 interviews for other agencies, he cause of the people who I've had 2 interviews for other agencies, he cause of the people who I've had 2 interviews for other agencies, he cause of the people who I've had 2 interviews for other agencies, he cause of the people who I've had 2 interviews for other agencies, he cause of the people who I've had 2 interviews for other agencies, he cause of the people who I've had 2 interviews for other agencies, he cause of the people who I've had 2 interviews for other agencies, he cause for the people who I've had 2 interviews for other agencies and this won't be a seen and the people who I've had 2 interviews for other agencies.

<u>Instructions</u>. Use this form to project the number of hours the deputy registrar, office manager, assistant office manager, and all other experienced (if known) and/or new hire employees will work, the projected hourly wages paid, and the weekly and monthly payroll costs.

The deputy registrar shall be regularly scheduled and on duty at the license agency at least twenty (20) hours per week, during regular business hours. This twenty-hour requirement does not apply to nonprofit corps., county auditors/clerks of court, or deputy registrars operating multiple locations (assessed as received). The deputy registrar shall appoint a full-time office manager, who shall be either the deputy registrar or a full-time employee with responsibility for management of the agency. The office manager shall be regularly scheduled, and shall work at least thirty-six (36) hours per week during regular business hours. The deputy registrar shall also designate an assistant office manager who shall supervise the agency in the absence of the deputy registrar and the full-time office manager.

The projected total weekly work hours for the deputy registrar and all employees should equal or exceed the minimum staffing recommended for the Class Size Agency as prescribed in the Agency Specifications.

In accordance with the standards established by the Unites States Department of Labor, Wage and Hour Division; Ohio Constitution; and Ohio Department of Commerce; all license agency employees must be paid at least the current minimum wage rate of \$7.25 per hour by businesses with gross receipts of less than \$385,000 per year and \$10.45 per hour by businesses with gross receipts of \$385,000 or more per year.

The deputy registrar need not list any salary or wages for the deputy's own service as deputy registrar or as the office manager.

Caution. For deputy registrars who also serve as the office manager, be careful not to duplicate hours worked.
